

2020 COVID-19 Homeless Provider Grants

Application

2020 COVID 19 Homeless Provider Grant

Purpose

MaineHousing's 2020 COVID 19 Homeless Provider Grant provides grants to homeless providers to reduce the spread of infectious disease for people who are unsheltered or living in emergency shelters.

Eligible Providers

Providers that receive funds from the Funding Formula Allocation under MaineHousing's Homeless Solutions Rule and are in compliance with the Homeless Solutions Rule are eligible to apply.

Eligible Uses

Grants may be used for one month's worth of costs that exceed the homeless provider's operating budget and are associated with responding to COVID-19 including:

- Additional staff or incentive pay for existing staff
- Cleaning supplies such as bleach, disinfectant wipes, scrubbers, mops
- Protective equipment such as masks, disposable gloves
- Program participant needs such as bed linens, towels, hand sanitizer, soap, tissue packets
- Room dividers
- Washers, dryers, portable handwashing stations
- Transportation of program participants for health care or other essential needs
- Additional space
- Other uses to reduce the spread of infectious disease for people who are unsheltered or living in emergency shelters as approved by MaineHousing.

Grants are intended to expand providers' resources rather than to replace resources providers are able to receive from other sources. For example, MaineHousing may redirect homeless providers to existing resources provided by organizations such as the Federal Emergency Management Agency (FEMA), which provides cots.

Providers may request a renewal of a grant for ongoing operating costs in subsequent months. Providers may also request additional grants for eligible uses in subsequent months.

Application Process

Providers must complete the attached Application and Grant Agreement.

MaineHousing may offer suggestions and seek further clarification regarding use of funds. Funding decisions are based on the following:

- Need
- Proposed use of MaineHousing resources
- Availability of COVID 19 Response Homeless Provider Grant funding

Recapture

Providers must provide an accounting of grant funds spent in a form satisfactory to MaineHousing. Funds that are not spent in accordance with the Grant Agreement must be returned to MaineHousing.
