

MAINE HOUSING AND BOWMAN SYSTEMS PRESENT

HMIS

Training Symposium

Representatives from Bowman Systems, our ServicePoint vendor, will be coming to Maine to provide training on the Annual Performance Report (APR) and to give users an opportunity to have a discussion, provide feedback, and ask questions in a User Forum. In an attempt to reach the largest audience, the training/forum will be held in Bangor on Tuesday, August 5th and in Portland on Thursday, August 7th. Scheduling and registration information is listed below. Please register for each session you plan to attend.
